

Preferred Business List

The key to having a great discount card is getting preferred businesses in your area listed on the card. Eating establishments are always big favorites as people are eating out all the time. They will easily recoup the \$10.00 paid for the cards. We listed some other types of businesses people frequent. Please print clearly and fill out the list as thoroughly as possible with phone numbers.

Think about your favorite: Eating Establishments (fast food), Ice Cream Shops, Doughnut Shops, Diners, Carwashes, Hardware Stores, Theaters, Kwikstops (gas stations), Quicklubes, Movie Rental Stores, Malls etc.
